TITLE: Tackling Youth and Long Term Unemployment Conference (24.05.19)

EXECUTIVE SUMMARY:

Funding towards the Groundwork Tackling Youth and Long Term Unemployment Conference to be held on 24.05.19 at the East Midlands Conference Centre.

INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)

Groundwork is hosting a conference on tackling the causes and effects of unemployment and lack of opportunity for young people. This will involve a balance of political speakers, inclusion of youth offending services, Nottinghamshire Futures, the Pupil Referral Unit and providers of Alternative Provision.

The conference is an opportunity for employers to find out how to meet the challenges of low levels of unemployment, covering support in diversifying their workforce, as well as accessing funding for training and wage subsidies. The focus on the role employers can play in tackling serious and violent crime, mental ill health and successful transition from school or college, links in with the Knife Crime Strategy and Police and Crime Plan priorities.

FINANCIAL INFORMATION (please include if is it capital or revenue or both. What the split is and the totals being requested. Is this a virement/ something already budgeted for or something that requires additional funding. Are there any savings that can be offered up/or achieved)

The OPCC will support the conference with a grant of up to £3,000.
