TITLE: Body Worn Video Replacement**EXECUTIVE SUMMARY:**

Recommend approval for the award of contract for the supply of Body Worn Video replacements to be provided by Reveal Media Ltd for the period of contract 12th August 2019 to 11th August 2022 (3 years).

INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)

In 2015, Nottinghamshire Police signed a four year contract with Reveal Media to supply 750 body-worn video devices (a further 50 were bought later for CPO use, purchased by Community Protection) to be issued on a pool issue basis to all front line uniformed officers and PCSOs. The devices supplied have an expected working life of four years. The contract between Nottinghamshire Police and our body-worn video supplier ends in February 2019. These devices are now beginning to show their age and starting to fail with faults such as batteries not recharging, or holding charge, or the device just not working.

FINANCIAL INFORMATION

The total contract value is between £600,000.00 to £1,028,000.00 spread over 3 years.
