**TITLE:** West Bridgford Police Station Relocation and Sale

**EXECUTIVE SUMMARY:**

The existing West Bridgford Police Station is much larger than required and there are currently significant parts of the Station vacant. Vacant parts of the Station will continue to increase as further planned moves of teams to other Police buildings take place shortly.

It is proposed that local Policing teams should stay in the area by moving to the West Bridgford Fire Station, on Loughborough Road, where the Fire Service have offered to lease space to the Police that would accommodate the Neighbourhood, Response and CID teams after undertaking conversion works.

The two victim interview suites that are at West Bridgford would need to be created in one of our other buildings and it has been decided that Oxclose Lane and St Anns would be the most appropriate location; with some conversion work necessary.

The current Police Station is partly shared with Rushcliffe Borough Council, who have office accommodation and provides a joint front counter service to the public who wish to speak face to face on a Police or Council matter. It is proposed that this service would be relocated by the Council to alternative premises in the centre of West Bridgford, and this will allow the public to continue to receive a service by visiting the new hub.

These proposals would enable the current Police Station to be sold.

**INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)**

Further details are included in the attached Confidential Business Case.

**FINANCIAL INFORMATION** (please include if is it capital or revenue or both. What the split is and the totals being requested. Is this a virement/ something already budgeted for or something that requires additional funding. Are there any savings that can be offered up/or achieved)

It is anticipated that revenue cost savings of approximately £95,000 per year will be achieved from year 3 onwards, assuming an up to two year period to sell the existing Station.

A one off compensation payment will be made to Rushcliffe Borough Council due to the early termination of the lease of accommodation within the Police Station, in accordance with the provisions of the lease. This will be subject to an element of negotiation and will also depend upon the final termination date of the lease, but will not exceed £103,927.

It is requested that £442,000 to cover the cost of the alterations at the Fire Station and Oxclose
