<b>TITLE:</b>	Women Specific Conditional Caution Project – Grant Extension
---------------	--

<b>EXECUTIVE SUMMARY:</b>
The PCC confirms her intention to extend the Changing Lives Women Specific Conditional Caution Project to 30 September 2022 to enable continuity of service while future vulnerability-based conditional cautioning options are explored in line with the force's new Out of Court Disposal framework.

<b>INFORMATION IN SUPPORT OF DECISION: (eg report or business case)</b>
The Women Specific Cautions (WSCs) project aims to prevent reoffending and escalation of reoffending among low-medium risk women offenders via a time-limited period of support and early intervention. The pathway forms an integral part of the force's revised out of court disposal framework which was launched in September 2021 which is expected to secure a marked increase in police referrals into the service. Referral rates will be robustly monitored during the course of the grant period.
Extending the Women Specific Conditional Caution project to 30 September 2022 requires a funding allocation £25,000
