Dear Christine

Thank you for your letter received on 19<sup>th</sup> November 2018 regarding the Panel's consideration of my Annual Report for 2017-18 which I presented to the Police and Crime Panel's meeting of 8<sup>th</sup> October 2018.

I am pleased that Panel Members broadly welcomed my Annual Report with no specific concerns raised although some Members queried the fact that alcohol-related crime appeared to be reducing in contrast to the overall increase in crime. You rightly point out that I highlighted the importance of the on-going partnership working around this issue (some of which had received national recognition) and also the reduction in alcohol consumption amongst young people.

I am immensely grateful for the support and challenge the Panel have provided over the last financial year and look forward to working with you in 2018-19.

Yours sincerely

**Paddy Tipping**  
**Nottinghamshire Police and Crime Commissioner**
