1. How does the proposal address the Police and Crime Plan priorities?
The section 22a agreement enables the Commissioner to have a clear legal framework for the collaboration of EMSOU FFI.

2. What local needs are you expecting to meet?
A more efficient, consistent, and common operating model.

3. What outcomes are expected to be achieved?
Improved capability and resilience.

**4. What consultations have taken place with those affected by the proposal?
What did they say?**
The Business Case was created in full consultation with regional Economic Crime Unit (ECU) Managers and all recommendations have been shared and discussed. Continued consultation with HR and Staff Associations will be maintained throughout the implementation stage.

5. Have you considered all reasonable courses of action and options?
Yes

6. What will be the impact be on performance and risk?
The DCI would be responsible for performance management, which would be recorded in a consistent manner in line with regional templates.

There is not thought to be any risk or impact on performance locally for Nottinghamshire.

7. What are the resource implications and will the proposal achieve greater efficiency and value for money?
The proposal aims to achieve greater efficiency and value for money.

There would be some resource implications for Nottinghamshire Police.

8. Provide any supplementary information to support your proposal
