#### **EXECUTIVE DECISION MAKING REPORT**

#### **NOTTINGHAMSHIRE OFFICE OF THE POLICE AND CRIME COMMISSIONER**

##### **TITLE OF SCHEME OR SERVICE**

**National Police Air Service**

##### **CLEARED BY**

**Charlotte Radford – Chief Finance officer**

**DECISION: To accept the offer in relation to the SBH Contract and to extend the existing SBH and PBH contract by a further month.**

##### **EXECUTIVE SUMMARY:**

Currently Nottinghamshire & Derbyshire have a joint air support service which is operated out of Ripley. At a National level it has been decided and mandated that all forces would collaborate to provide a National Police Air Service (NPAS). There are many benefits to this service being provided at a national level including increased resilience, access to other helicopters when ours is being serviced or maintained, the cost of officers that provide the service being met through this scheme and ensuring the ongoing provision of the support for Notts and Derbyshire, which might not have been possible once the existing helicopter needed replacement.

Negotiations have been ongoing sometime in relation to the transfer of assets and officers and our original date of transfer has been put back from 2012 to October 2013.

The latest negotiations relate to the transfer of Power By the Hour (PBH) and Supply By the Hour (SBH) contracts which enhance the value and life of the asset, but for which we were not to be compensated for. This was something new to the latest draft collaboration agreement and something we had originally been assured would be compensated for. These contracts are effectively saving schemes for parts and labour drawn upon as required and utilised rather than building up levels of reserves.

In September the decision was taken not to renew our PBH and SBH contract and a full risk assessment was undertaken of possible implications up to the revised transfer date. Meetings with NPAS took place and in the spirit of co-operation we agreed to ask the contractor to extend the current contract by 3 months to the 31<sup>st</sup> March 2013.

NPAS have now agreed to pay a share of a fund they now have based upon the estimated of the value of the SBH contracts, with PCC approval to this. All forces have provided PBH contracts with no compensation. This money will only be paid once we have signed the NPAS agreement and NPAS retain a claim over the money until the helicopter has been transferred.

The contractor that supplies the PBH and SBH contract has agreed to a further 3 month extension and approval for this is also being sought.

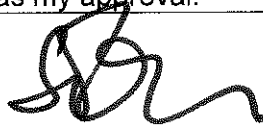

In conclusion the Police & Crime Commissions approval is requested:

1. To withdraw the current notice for the SBH/PBH contract with Eurocopter and set a further notice period of 3 months in place.
2. To agree to sign the collaboration agreement, subject to confirmation of the level of compensation that we will receive.

**Nottinghamshire Police and Crime Commissioner**

The above request has my approval.
