**TITLE: Base Budget Review 2013****EXECUTIVE SUMMARY:**

The PCC has initiated a Base Budget Review which is based on zero based and priority based budgeting principles. This is a large piece of work requiring external independent consultants to undertake and initiate a process of continuous review and is expected to drive out significant savings.

This will involve officers and staff across the whole organisation and input from external stakeholders. An independent review panel is also being put together.

The consultancy element of this has been tendered for through the EMSCU. And the successful company is Deloitte. The value of the tender is £129,000 plus expenses. This will be funded from the MTFP reserve.
