POLICE BUSINESS SERVICES BUSINESS CASE

EXECUTIVE SUMMARY:

A business case for the collaboration of business services between Nottinghamshire and Northamptonshire has been detailed further to provide a breakdown of implementation costs and estimated savings. Costs and benefits will be split on a 60/40 split with Notts being the largest element.

This project will commence as soon as practicable and should start to deliver savings in Q1 2015-16. Payback on estimated project costs is anticipated in Q2 2015-16. Total costs are estimated at £800k and estimated savings are £3.6m.

It is hoped that other partners will join the project at an appropriate interval.
