TITLE: Policy - Change in wording (CC package)

EXECUTIVE SUMMARY:
There currently is a National review in relation to CPOSA fees and the element that can reasonably be attributed to the OPCC. Until this is resolved the following amendment is recommended to paragraph 5.1:

The payment of CPOSA fees is being considered at a National level. An element of the fees provides cover for litigation against the organisation and therefore it is not appropriate for the organisation to contribute to this part of the fee.

Until this is resolved at a national level the PCC and CC will agree annually what amount can be paid. This will be confirmed in a letter from the PCC to the CC.
