He agreed grants for 2013-4, 2014-5 and 2015-6. - innovative BME led projects which work in partnership with Nottinghamshire Police to build trust and understanding;
- innovative community led projects which support new and emerging communities to establish positive relationships with Nottinghamshire Police;
- innovative community led positive initiatives to reduce anti-social behaviour including noise related anti-social behaviour;
- community led initiatives to reduce rural and wildlife crime, including using social media to share local intelligence;
- projects to support improved mental health with young people, resulting in reduced drugs and alcohol use;
