**Grant to the CDP and SNB (nos 1 and 2 above)**

The CDP and SNB are key partners for the PCC. The grant will fund work to deliver the goals in the Police and Crime Plan. Improved monitoring and evaluation information will be provided for 2016-7.

**Community Safety Fund (no 3 above)**

The small grant recipients were selected through a robust assessment process in which all applications were assessed by two officers from NOPCC against a scored matrix. A draft funding list was submitted to an independent funding panel which included senior police officers, CDP, SNB as well as expert input from specialists (eg hate crime) where required. The panel agreed the final list of recommendations to the PCC. Recommendations were made to the PCC, Deputy PCC and Chief Executive in February 2015. It was agreed that 24 projects would be funded, as outlined in the attached list of projects (also available on the PCC's website).

In total, 26 projects have been supported to a funding total of £261,250.

**Capacity building grant to East Midlands Survivors Hostel (no 4 above)**

**FINANCIAL INFORMATION** (please include if is it capital or revenue or both. What the split is and the totals being requested. Is this a virement/ something already budgeted for or something that requires additional funding. Are there any savings that can be offered up/or achieved)

The funding requested is revenue. The services are already budgeted as part of the 2016-6 Community Safety Grant and Victims' Services Grant. A 5% efficiency saving has been applied to all services apart from victims' services. The total efficiency saving is £78,414. There is agreement that the CDP and SNB will continue to pass onto the PCC further savings as they are identified. This will include work to generate income from Castlegate House in the city.

Work is ongoing within NOPCC to review services and identify further savings for future years.
