TITLE: Microsoft Enterprise Subscription Agreement (ESA)

EXECUTIVE SUMMARY:

This is new tender for a Licensing Solution Partner (LSP) for Microsoft Enterprise Subscription Agreement (ESA) accessing UK Police National Enabling Programme MOU and/or Digital Transformation Arrangements. This is to be provided by Comparex UK Ltd for the period of contract 1st September 2018 to 31st August 2021 for the total contract value of £2,745,544.45.

This advance commitment by 15th June allows Nottinghamshire Police to access the cloud product discounts available under the UK Police NEP Wave 1 National MOU offer.

INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)

The usage of core Microsoft products within Nottinghamshire Police is funded by an Enterprise Subscription Agreement (ESA), which is essentially a lease agreement with an annual subscription. The costs for the products we use is heavily discounted and the subscription paid over a three year period with an anniversary opportunity to true up/true down to match consumption. The current ESA is calculated per device, and a device is classed as a workstation, mobile device (laptop, tablet, Blackberry Leap), Server and multi-functional printing device. Core CAL (client access licenses), Office Pro Plus and Windows for the force's entire user base. These are on premise, device licenses.

The price is fixed for the duration of the three year agreement and failure to renew the subscription after expiry results in the loss of eligibility for the Force's user base to access the Microsoft Office suite and Microsoft Windows Desktop Operating System. All server based force applications systems currently require Microsoft Windows Operating Systems to as a platform to run.

The Police ICT Company and Microsoft have agreed a licensing and discounting package to utilise Microsoft 365 E3 and additional add-ons (UK Police M365 E3 Commitment and Advanced Workload Package or AWP), available to eligible UK Police customers under the Digital Transformation Arrangements (DTA) and UK Police Memorandum of Understanding (UK Police MOU), for licence orders placed on or before 15th June 2018.

The Authority qualifies as a Wave 1 UK Police Renewing Eligible Customer as defined in Annex 3 of the UK Police MOU and wishes to access the discounts available under the UK Police MOU. This tender is to award a Microsoft ESA under the DTA, incorporating the UK Police MOU, to a single Microsoft LSP to supply the products and services set out in Section 4.
