TITLE: Agile Phase 2 Release of Funds

EXECUTIVE SUMMARY:

At the end of the 2017/18 financial year an amount of £250k was set aside in a reserve for the purpose of providing devices to Public Protection and CID officers, at the time the request was made the specification and scope of work was incomplete.

Information Services have now completed the specification work and are in a position to place the order, subject to correct progress through EMSCU for the procurement, which is now complete and signed off.

This funding along with that identified in the current capital program will allow a further 370 devices and associated equipment to be rolled out to PP and CID to enable them to work in more agile way.
