INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)

In previous years the PCC has awarded community safety grants to the Nottingham Crime and Drugs Partnership and the Safer Nottinghamshire Board to lead and deliver initiatives to achieve the strategic goals in the Nottinghamshire Police & Crime Plan. He has also supported the third sector to deliver initiatives through his Community Safety Fund.

Grant to the CDP and SNB (nos 1 and 2 above)

The CDP and SNB are key partners for the PCC. The grant will fund work to deliver the goals in the Nottinghamshire Police and Crime Plan.

Community Safety Fund (no 3 above)

The small grant recipients were selected through a robust assessment process in which all applications were assessed by two officers from NOPCC against a scored matrix. A draft funding list was submitted to an independent funding panel which included senior police officers, representatives from the CDP and SNB as well as expert input from specialists (eg hate crime, CSE) where required. The panel agreed the final list of recommendations which went to the PCC. The PCC agreed that 20 projects would be funded to a total value of £254,174. The projects are
