**TITLE: 2021/22 Charging Rates for Police Services**

**EXECUTIVE SUMMARY:**

This is the annual review of the Charging Rates for Police Services for Nottinghamshire Police which will be used during the financial year 2021/22 to recover costs for activities undertaken for third parties.

**INFORMATION IN SUPPORT OF DECISION: (e.g report or business case)**

This is the annual review of the Charging Rates for Police Services for Nottinghamshire Police as per the national policing guidelines as provided by the National Police Chiefs' Council (NPCC).

The NPCC's document provides guidance for the charging rates for such items as accident reports, firearms certificates, etc and the calculation of the Special Police Services (SPS) rates used to charge for policing events such as football.

In many cases the charging rates in Appendix A follow the guidance from the NPCC, although there is provision within the guidance to use local agreements in instances where local costs are higher. Where local arrangements have been used, such as the accident records department, the rates have been circulated to relevant people to update.

The SPS rates for all ranks have remained as 2020/21 largely due to there not being an annual pay award in September 2021 (2.5% in 2020/21).

Please note the costs for housing Home Office immigration detainees in custody suites and charging for cell accommodation (prison lock-outs) are the proposed rates for 2021/22 which are awaiting ratification from the Home Office.

These rates were reviewed and agreed by CC Guildford on the 23<sup>rd</sup> April 2021.

**FINANCIAL INFORMATION** (please include if is it capital or revenue or both. What the split is and the totals being requested. Is this a virement/ something already budgeted for or something that requires additional funding. Are there any savings that can be offered up/or achieved)

Not applicable.
