TITLE:	Variation of Collaboration Agreement
---------------	--------------------------------------

EXECUTIVE SUMMARY:

The collaboration agreement that frames the collaborative unit for Counter Terrorism (CT) Policing - East Midlands (formerly known as EMSOU (SB)) has been varied to take account of changes to the funding arrangements which moved from Core Policing grant into the CT Policing grant. Accordingly, previous arrangements of CT grant and Police and Crime Commissioner funded posts ceased to exist.

Despite the cessation of the previous agreement, it has been necessary for the collaborative unit to sign a national Memorandum of Understanding in order that the baseline capacity and capability can be maintained for at least the first 12 months post transfer of the funding arrangements.

The primary aims, funding principles, and resourcing contributions will be subject to a wider review of the collaborative unit, following which the Parties will enter in a new agreement to reflect all the changes (nationally) agreed.

INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

Pending the review mentioned in the Executive Summary, it is necessary for the CTP- East Midlands collaborative unit to continue delivering in line with the previous agreement.

FINANCIAL INFORMATION

There are no additional financial requirements associated with this variation agreement. However, the commitment to reviewing the funding principles and resourcing contribution should be noted as that is likely to impact upon the level of funding provided by Nottinghamshire PCC/

Chief Constable to the unit in future years. It is presently anticipated that the review will have a positive impact, by reducing the contributions to proportions aligned with fair funding principles.
