TITLE:	Detached Youth Work
---------------	---------------------

EXECUTIVE SUMMARY:

Detached youth work is one way of offering a service to potentially vulnerable and 'at risk' young people which takes place in their own communities. Detached youth work is therefore delivered on the streets, in areas where there is an identified need with delivery being flexible dependant on the young people.

The overall aim of detached youth work is to make contact with young people and positively influence their lives by engaging them in an exciting and challenging programme of informal social education. This work takes place in places where young people choose to meet, away from traditional youth work venues.

A tender exercise was undertaken to ensure that contractual arrangements are in place so that these important services can be commissioned over a period of up to 4 years, subject to funding, by the PCC, City and County Councils.

A decision was recommended to appoint successful bidding organisations to a framework agreement and to award initial call-off contracts to the top 3 scoring providers of service to start work as soon as practicable.

INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

Following a supplier engagement event on 2nd October 2022, a full open tender process was undertaken, tenders were advertised on 14th December 2022 via Contracts Finder and Find a Tender and managed via the EUSupply BlueLight Tender portal, with a closing date of 10th February 2023. Bids were evaluated in accordance with the published methodology on the basis of Quality (including Social Value) 70% and Price 30%. 4 bidders met the scoring thresholds to

be appointed to the framework agreement which will be in place for a period of 4 years. The top 3 providers will be awarded a call-off contract to start delivering services in Nottingham from 20th March 2023. The framework will be used thereafter to call-off any additional requirements, subject to funding, via further competition. Authorities who can call-off the framework include the Nottinghamshire Police and Crime Commissioner, Nottingham City Council and Nottinghamshire County Council

FINANCIAL INFORMATION

The budget for each of the 3 x call-off contracts is £45k for the period 1 April 2023 to 31 March 2024, with an additional £1k per provider if they can start delivery from 20th March 2023. All bids came in at or under that budget and were therefore compliant with this element of the evaluation.

Preferred providers were assessed for financial stability and also passed this element of the evaluation.
