TITLE:	Offender to rehab programme- female offenders referred to Nelson Trust
---------------	--

EXECUTIVE SUMMARY:

Further to decision record 2023.030 which provides detail around the Offender to Rehab programme in both the City and the County and rehabilitation for offenders at Livingstone House, a provider has been identified to provide specialist access to rehabilitation for female offenders.

The PCC is therefore requested to confirm her approval to provide up to £32,300 to Nelson Trust for drug and alcohol misuse treatment and rehabilitation support based on the 12-step programme for female offenders referred in by either the City or County Substance misuse support services.

INFORMATION IN SUPPORT OF DECISION: (eg report or business case)

The PCC works with the City and County Councils to co-commission specialist substance misuse support services. Access to rehabilitation for offenders is best managed by specialist services, which are already funded to provide wider and ongoing substance misuse support and also have the expertise to assess offenders' suitability for rehab. The local authorities and the locally commissioned substance misuse services have agreed to continue to support the Offender to Rehab programme and to use the funding to pay for additional residential rehab support and for other activity to support prolific retail offenders to stop offending.

This funding will be available to Nelson Trust when required to provide a range of drug and alcohol misuse treatment and rehabilitation support based on the 12-step programme for offenders referred in by either the City or County Substance misuse support services. A funding agreement will be put in place between the PCC and Nelson Trust so funding can be accessed as and when required.

FINANCIAL INFORMATION

£20,000 of revenue funding from the PCC's 2023/24 Grants and Commissioning was utilised as match funding for £20,000 income provided to the PCC by Sainsbury's and Mitie. There is also previous funding from Co-op and Mitie, held as a restricted fund, drawn down from 2023-4 onwards making a total of £60,000 available to support greater access to rehabilitation and other substance misuse support for retail offenders in Nottinghamshire.

Nottinghamshire Police and Crime Commissioner – Notice of Decision

This funding will be utilised between Livingstone House and Nelson Trust for offenders identified by either the City or County substance misuse support services.
