## **STRATEGIC RISK MANAGEMENT REPORT (2015/16 QUARTER 3)**

### **1. Purpose of the Report**

- 1.1 To provide the Joint Audit and Scrutiny Panel with an up to date picture of strategic risk management (to the end of 2015/16 Quarter 3) across Nottinghamshire Police (the Force) and the Nottinghamshire Office of the Police and Crime Commissioner (NOPCC).

### **2. Recommendations**

- 2.1 That the Joint Audit and Scrutiny Panel notes the current approach to strategic risk management and considers the assurance that this report provides as to the effectiveness of those arrangements within the Force and the NOPCC.

### **3. Reasons for Recommendations**

- 3.1 A Strategic Risk Management Report is provided to the Joint Audit and Scrutiny Panel every six months to enable the Panel to consider the effectiveness of risk management within the Force and NOPCC, as part of their wider scrutiny of corporate governance arrangements.

### **4. Summary of Key Points**

#### **Risk management policy and process**

- 4.1 The Force and the NOPCC have agreed to set a joint policy for the management of risk, in line with the Cabinet Office approved Management of Risk (M\_o\_R) approach.
- 4.2 The Force and NOPCC will use risk management in their decision making in future:
- Each portfolio lead sets a risk management strategy for their area of responsibility, including risk appetite and tolerance levels and the risk management activities they expect to take place
  - Portfolio and programme boards maintain strategic risk registers; divisions, departments and projects maintain operational risk registers
  - The Force Executive Board and the Audit and Scrutiny Panel receive regular reports on strategic risk management, highlighting current High and Very High risks

## Strategic risk registers

4.4 Copies of the following strategic risk registers are appended to this report:

Appendix I – Strategic Force Risk Register  
 Appendix II – Strategic Information Risk Register  
 Appendix III – Strategic NOPCC Risk Register

4.5 All risks within the Force's and NOPCC's risk registers are classified according to one of the following impact categories:

- Crime and community safety
- Operational efficiency & effectiveness
- Judicial proceedings
- Reputation
- Finances
- Compliance
- Life and safety
- Environment

4.6 The tables below provide an evaluation of the overall level of risk exposure present in each of these categories; the current trend; a summary of those specific risks (both threats and opportunities) which are currently assessed as having a High or Very high risk rating; and the planned to response to those risks. The risk relating to budget is reflected in the risk registers of both the NOPCC and the Force.

Risk type	Finances		
Overall risk exposure	Very High	Trend	
Current top risks	Rating	Risk response plans	
Financial forecasting indicates higher spending than income. The Force currently anticipates that £9.3m of reserves will have to be utilised to balance the budget for the year end 2015/16. Reduction in resources spending will impact upon current and future activities and service delivery.	VH	Reduce impact: <ul style="list-style-type: none"> <li>• Use of reserves</li> <li>• Scenario modelling to enable accurate impact forecast</li> <li>• Savings plans reviewed and revised</li> <li>• Cost base reduction</li> <li>• Strategic Alliance</li> </ul>

### **Closed strategic risks**

4.7 The following strategic risks have been closed since the previous report:

<b>Risk description</b>	<b>Date closed</b>	<b>Reason for closure</b>

## **5 Financial Implications and Budget Provision**

- 5.1 The only current financial implications for the Force associated with the implementation of Risk Management come from the cost of membership of the public sector risk management association, Alarm. The annual subscription for the Force risk practitioner costs £160.

## **6 Human Resources Implications**

- 6.1 Providing professional advice on risk management is the responsibility of one Strategic Support Officer within the Planning and Policy team (Business and Finance department), who is trained as an M\_o\_R Registered Risk Practitioner and who is also responsible for advising on business continuity management. In the absence of a current post holder these roles are being fulfilled by the remaining members of the team
- 6.2 General responsibility for managing risk forms an integral part of the job descriptions of individuals throughout the Force.

## **7 Equality Implications**

- 7.1 There are no known equality implications associated with the implementation of the Risk Management Policy.
- 7.2 Where a particular risk is identified that could have an impact on the Force's or NOPCC's equality objectives that risk will be managed in line with the Risk Management Policy.

## **8 Risk Management**

- 8.1 One of the main aims of the Risk Management Policy is to achieve consistent application of risk management principles and techniques across all areas of the Force and NOPCC.
- 8.2 If the Force and NOPCC do not practice effective risk management within their decision making there is a risk of non-compliance with the principles set out in the Joint Code of Corporate Governance. This risk was identified in the Force's Annual Governance Statement 2014 and is currently being managed within the Business and Finance department risk register, with a risk rating of Medium.

## **9 Policy Implications and links to the Police and Crime Plan Priorities**

- 9.1.1 The Force and Office of the Police and Crime Commissioner have agreed to set a joint Risk Management Policy based on the adoption of the M\_o\_R approach.
- 9.1.2 An understanding and appreciation of strategic risk is important in determining the priorities in the Police and Crime Plan, and subsequently informing the development of effective strategies, policies and plans to address those priorities. It is expected that the Risk Management Policy will lead to improved understanding of strategic risk and therefore impact positively on the achievement of Police and Crime Plan objectives.

## **10 Changes in Legislation or other Legal Considerations**

- 10.1 The preparation and publication of an annual governance statement in accordance with the CIPFA/SOLACE Framework 'Delivering Good Governance in Local Government' is necessary to meet the statutory requirement set out in Regulation 4(2) of the Accounts and Audit (Amendment) (England) Regulations 2006 for authorities to prepare a statement of internal control. This includes the requirement to have "effective risk management systems in place".
- 10.2 A review of the Force's monthly Horizon Summary report has not identified any forthcoming changes in legislation that would affect the Force's and NOPCC's risk management arrangements.
- 10.3 Where potential changes in legislation or other legal considerations represent a significant threat or opportunity for the Force or the NOPCC these are evaluated and managed in line with the Risk Management Policy.
