Revenue Report for Period 12; Quarter 4 2019/20 (Provisional Outturn)

1. Purpose of the Report

- 1.1 The purpose of this report is to provide an update on the financial outturn position for revenue as at 31st March 2020 (Period 12, Quarter 4).

2. Recommendations

2.1 Recommendation 1

It is recommended that the contents of the report and virements approved under delegated arrangements for Period 12 2020 shown in Appendix B are noted.

2.2 Recommendation 2

That the Police and Crime Commissioner approve the virements of greater than £100k which have been recommended by the Chief Constable as set out in Appendix C. These virements will be reflected in the outturn position once fully approved. There are none in this period.

2.3 Recommendation 3

That the Police and Crime Commissioner note the overspend position as set out in Appendix D.

2.4 Background

The net revenue budget for 2019/20 is £206,283k. This is split between the Force £201,308k and the Office of the Police and Crime Commissioner (OPCC) £4,975k.

Finance in conjunction with the organisation has continued to review the outturn position. At the end of March 2020 the year end outturn is £206,375k, which represents an over spend of £92k against the budget, a reduction of £299k against Period 10. There were no reports for Period 11. Please also refer to section 8 of this report which identifies risk issues in respect of this report.

3. Reasons for Recommendations

- 3.1 To update the Chief Officer Team and the Office of the PCC on the Force's projected outturn position for 2019/20 and also to comply with good financial management and Financial Regulations.

4. Summary of Key Points

Executive Summary

- 4.1 The final review of revenue expenditure has resulted in an over spend in the Force budget of £92k; and an on budget position within the OPCC.

The main driver for the variance between that reported in P10 and year end is due to COVID-19 issues a number of orders were placed with suppliers, with all good intention of delivery occurring before the end of the financial year, this in some circumstances did not happen, this will impact on budget pressures in 2020/21 when these deliveries will now take place.

Monitoring has been problematic throughout the year as has been reported. It should be noted that outturn monitoring in relation to all pay has been completed, however payroll and general ledger continue to be out of balance at the present time, inaccuracies between departments are also irreconcilable and inconsistent, however this remains unresolved at year end.

The table below shows the Force provisional outturn (including externally funded and seconded officers/staff) variances against the 2019/20 budget plus approved virements (revised budget) as at the end of March 2020.

Variances greater than £50k are explained in more detail within section 4 of this report, unless there is no movement between previous reported variance and this month's variance.

Data explaining the variance between original budget and revised budget can be found in Appendix A. Data explaining the virements can be found in Appendix B and Appendix C.

Over spends are shown as + numbers, whilst under spends are shown as () numbers. No adjustments have been made for rounding.

4.2 Local Policing – under spend (£514k) a reduction of £1,317k on P10 figures.

The reduction in under spend reflects the on-going issue of miscoding's relating to pay and the year end reconciliation for CNPS where balances are transferred to reserves at the end of the financial year.

4.3 Crime and Operational Services – under spend (£720k) an increase of £287k on P10 figures.

The increase in under spend reflects the on-going issue of miscoding's relating to pay. Accruals have also been created to account for the overdue ARV income from 2018/19 of £411k, the forces share of ARV income from 2016/17 of £90k and £214k in respect of Optik income from EMOpSS; this has been off-set with a cost of £217k in relation to the disaggregation of EMOpSS.

4.4 Corporate Services – over spend £1,772k an increase of £375k on P10.

4.4.1 Technical Accounting – over spend £1,149k an increase of £405k.

This change reflects re-coding on pay and an increase in transfers to reserves of £378k.

4.4.2 Estates – over spend £1,411k an increase of £369k

The cost of uniform for new officers has been accrued this month and an increase in the provision for dilapidation costs reflecting the rise in inflation when these works are required to be carried out.

4.4.3 PSD – Under spend (£208k) an increase of £164k.

This change reflects re-coding on pay.

4.5 Collaboration and Partnerships – under spend (£31k) a reduction of £427k

4.5.1 EMSOU Operations under spend (£877k) a reduction of £882k

This change reflects re-coding on pay.

4.5.2 EMCJS – over spend £712k an increase of £840k

This change reflects re-coding on pay.

4.5.3 MFSS – under spend (£100k), a reduction of £439k

The change in position reflects the release of provision for unexpected costs and a lower charge for GEN2 than was expected.

4.6 OPCC – on budget

The Office of the PCC expenditure was in line with predictions at the start of the year. During the year it was able to recharge some salary costs to grant claims resulting in an overall underspend of £0.083m at year end. Similarly some of the small grants awarded by the PCC were allocated towards grants received from Government departments, enabling the PCC to contribute to more local requests in the future.

In total £1.213m was under spent against the grants and commissioning budget for a variety of reasons such as: partners under spending against grant delivery plans, income received in advance relating to expenditure in 20/21 and unallocated budgets where projects had not been proposed to fully utilise the budget during the year.

The under spends from above will be transferred to reserves for use in future years.

4.7 Grant Funding

This section of the report shows grant funded projects for 2019/20. The use of grant to match expenditure in the outturn figures are shown as income in the tables reported under item 4.1 the detail of which is shown below.

4.7.1 Op Scorpion – Grant £1,540k

No change from last month's report. The project is on track and returns are on time to the Home Office. Although the grant has been maximised, indeed the forces core budget has supported this initiative the outturn is less than that previously reported this is due to the supply of ANPR cameras and fingerprint scanners being delayed due to COVID-19.

Home Office Knife Crime Surge Grant	Core £'000	New £'000	Total Grant £'000	Outturn £'000	Balance £'000

	629	911	1,540	1,875	(335)

4.7.2 ARV Uplift – Grant £263k

The variance in outturn of £31k was allocated to Mobile ANPR; this did not go ahead due to factory closure as a result of COVID-19 issues. The purchase will be made through capital in 2020/21.
