

## SEVEN PRIORITIES FOR TACKLING CRIME

**I identified the seven top priorities in my Plan with help from communities, businesses, partners, victims of crime and local citizens.**

They are all about addressing crime and the issues arising from crime, supported by detailed actions and activities for dealing with them.

They include tackling particular problem areas with the valuable help of partners in our communities.

### The priorities are:

- Protect, support and respond to victims, witnesses and vulnerable people
- Improve the efficiency, accessibility and effectiveness of criminal justice processes
- Focus on local areas most affected by crime and antisocial behaviour
- Reduce the impact of drugs and alcohol on crime and antisocial behaviour
- Reduce the threat from organised crime
- Prevention, early intervention and reduction in reoffending
- Spending your money wisely

## Nottinghamshire POLICE & CRIME PLAN 2013 - 2018

**Giving victims and citizens  
a bigger voice in policing  
to achieve safer communities**

## MAKING YOUR VOICE COUNT

When you elected me in November 2012, I vowed to speak up for you about crime and policing.

Your views and experiences have, therefore, taken centre stage in my Police and Crime Plan and are at the heart of my plans to achieve safer communities.

### My Plan is built on:

- my election pledges
- seven priorities that you have helped me to identify
- and supporting actions aimed at reducing crime and which, in turn, lead to fewer victims

The priorities will be delivered by me, my Deputy Commissioner, the Chief Constable, and community safety and criminal justice partners – but we will always need your feedback.

*Please continue to let me know what works and what doesn't.*

**Paddy Tipping**

## A VISION FOR A SAFER FUTURE

My vision is to be The People's Commissioner by giving victims and citizens a bigger voice in policing to achieve a safer Nottingham and Nottinghamshire.

This also involves winning improved trust and confidence in policing and ensuring value for money policing services.

### Achieving my vision means:

- Reducing crime and antisocial behaviour
- Ensuring fairer treatment of victims and citizens
- Using public resources wisely

## MY ELECTION PLEDGES FOR REDUCING CRIME

I have already set the wheels turning on my election promises. They will, however, continue to be a pivotal part of my plans for achieving safer communities.

### My pledges are to:

- Campaign against Government funding cuts to our policing budget
- Improve Community Policing by taking on 150 extra Police Officers and 100 Police Community Safety Officers
- Work in partnership to reduce antisocial behaviour by 50%
- Give extra priority and resources to domestic violence and crimes against girls and women
- Ensure that victims of crime are treated as people, not cases, and that Victim Support is properly funded
- Be fair, honest and protect taxpayers' money
